

Bases

Our constant curiosity to achieve excellence in each and every one of our natural luxury products is Sivana’s daily commitment to our customers. The craftsmanship acquired over many years has resulted in our exclusive collection of sustainable upholstered bases for which we use only the highest quality materials such as solid European pine wood and virgin cotton, together with the strength of steel pocket springs.

MELASTI *Slat system*

Breathable and natural like no other. It redefines our obsession with comfort, quality and ergonomics.
