

Headboards

The exclusive Sivana sustainable luxury headboards are the perfect complement to your mattress and base. Organic cotton and linen fabrics with different textures for a soft and delicate feel and a natural wood interior. Made by master craftsmen, we have created an elegant collection that takes us on a journey from traditional to contemporary.

DIVALI

Wooden interior

A simple functional combination combined with noble materials that expresses an infinitely luxurious feeling.

Solid pine wood frame
Organic cotton

ASURA

Wooden interior

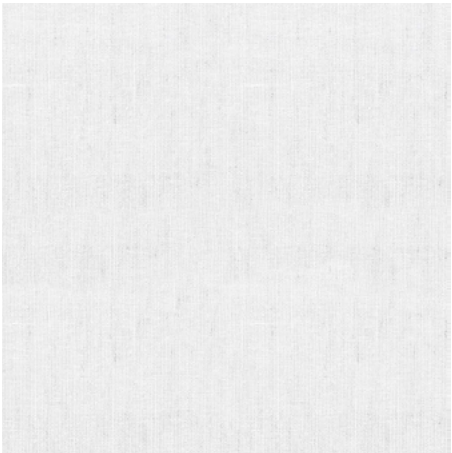

Sophisticated volumes that reflect a unique sense of comfort, relaxation and sustainable luxury.

Fabrics - Cotton

Our obsessive attention to perfection is transferred to the collection of natural fabrics made to measure for Sivana. Just like the identity of the mattresses, the upholstery fabrics for the bases and headboards have been selected from the best 100% natural cotton and linen fabrics. Elegant in texture and softness, you can personalise your base and headboard with a selection of shades to give your bedroom decoration its own style.
