

Protectors

Absorbent natural softness for a 100% organic and 0% toxic bed protector. This superb protector is filled with certified virgin cotton for unique absorbency with high breathability. It does not contain any synthetic or toxic materials such as PVC, offering a very comfortable support as an extra layer of comfort to your natural Sivana sleep.

SATTVA

Virgin cotton filling

We have expressed our sustainable love and passion in every detail of the Sattva cotton protector.
